## **Pomme de Terre Shoreline Management Plan Open House**

An open house to gather comments and answer questions regarding the Pomme de Terre Lake Shoreline Management Plan will be held Tuesday, February 18<sup>th</sup>, 7:30 am to 5 pm, at the Pomme de Terre Project Office.

Shoreline management plans are reviewed by regulation every five years. Review of the Pomme de Terre plan is scheduled to be complete by July, 2003.

The Shoreline Management Plan can be examined at the project office during normal business hours (7:30 am to 4 pm) Monday through Friday.

Written comments may be submitted to: U.S. Army Corps of Engineers, Pomme de Terre Project Office, Rt. 2, Box 2160, Hermitage, Missouri 65668. Written comments should be provided by May 1<sup>st</sup>, 2003.

The revised Shoreline Management Plan will be available for public viewing during an open house to be held in June 2003.
